

Model 30-8"

Marque: Jiffy
Code produit: 30-8
Disponibilité: 4
Poids: 32.00lb
Dimensions: 51.00in x 23.00in x 12.00in

Prix: ~~\$610,00~~ \$550,00

Courte description

Time-tested and reliable, the powerful 52cc, 2-cycle gas engine on the Model 30 starts in just 1-2 pulls. Get through thick winter ice in no time thanks to a powerful High-Torque Transmission (HTT) that efficiently transfers more energy from the engine for additional torque. Includes an XT™ Drill Assembly with a serrated edge Ripper™ blade that stays sharp and quickly chips and rips through dirty ice. The included Easy Snap™ blade protector is easy to install for storage or transport—just set the drill into the cover and it snaps tight.

Description

Time-tested and reliable, the powerful 52cc, 2-cycle gas engine on the Model 30 starts in just 1-2 pulls. Get through thick winter ice in no time thanks to a powerful High-Torque Transmission (HTT) that efficiently transfers more energy from the engine for additional torque. Includes an XT™ Drill Assembly with a serrated edge Ripper™ blade that stays sharp and quickly chips and rips through dirty ice. The included Easy Snap™ blade protector is easy to install for storage or transport—just set the drill into the cover and it snaps tight.

SPÉCIFICATIONS

- Carrying weight of 29–32 lb. depending on drill size.
- E-Z Start recoil starts in 1-2 pulls, with a large mitten grip handle for ease of use.

- HTT (High-Torque Transmission) featuring a heavy-duty clutch and optimal gear ratio, transferring more engine energy for additional torque.
- Features a left-hand rotation chipper-style Ripper™ blade, durable with serrated edges to cut through dirty ice quickly.
- Includes Easy Snap™ Blade Protector.
